

ALISEO

Fibre pillow with removable cover

A customized choice

- Sleep on the side ● Sleep supine (on the back) ● Sleep prone (on the stomach)
- Wants a hypo-allergenic pillow
- Wants a pillow with different heights, allowing to adjust neck tension
- Wants an entirely washable pillow

The elastic nature of the fibre and the curled structure make the pillow extremely elastic and resilient over time. The air pockets between the soft fibre spheres add comfort to the valuable heat-regulating action.

STRUCTURE

Spheroidal hypo-allergenic fibres

High-tech padding made of hypo-allergenic fibres resistant to moths and microorganisms. An exclusive production process weaves fibre in a spiral pattern creating spheroidal elements. The amount of padding inside the pillow is customizable and can be adjusted by the user simply removing or adding material to achieve the perfect pillow height.

COVER

Natural fabric
Pure sanfor cotton cover.

Removable cover
The removable cover, thanks to a sturdy zipper, can be washed and allows to better ventilate the pillow.

Dry-clean
The whole pillow and cover can be dry cleaned.

Washable at 40° C
The whole pillow and cover can be washed in water at 40° C.
