

# DENEb

Ergonomic seasonal mattress with removable cover

Available in **minimalist** version, with no binding tape - as pages 24-25

This mattress is suitable for those who do not feel particularly hot or cold in bed, have mild sweating, have an ideal weight, **sleep on their side or in other positions**, wish to use an adjustable base (particularly suitable), do not suffer from neck and/or back pain, have peripheral blood circulation issues, are not subject to electromagnetic pollution, want a mattress with differing comfort levels on either side (bi-comfort), want a different comfort level than their partner, have a particular need to remove the mattress cover.

## ACTION®

Technical fibre mix created for the warm periods of the year.

The **3D V.S. fabric** perimetral insert facilitates ventilation inside the mattress.

The **bi-comfort** feature allows you to choose between two comfort levels. Even between partners on a double bed.

## STRUCTURE

**Helix® adaptive foam springs** core with seven comfort zones. The addition of **Aquapure® Soya** provides the mattress with both medium and medium-firm comfort levels (bi-comfort).

**Adapto system** High-density, anti-deformation and supporting material.

**Aquapure® Soya** component, double convoluted surface with seven comfort zones.

## UNDERLINING

**Cotton blend** Underlining in elasticized mixed cotton jersey.

## COVER

**Merino wool** Winter side padding in pure Merino wool.

**Fabric with cellulose** Cover in double elastic fabric with **Aloe Vera** treated cellulose fibre.

**Cotton** Summer side padding in pure cotton.

**3D V.S. permeable band** 3D Ventilation System air permeable band on the mattress perimeter.

**Linen** Summer side padding in pure linen.

**Removable cover** Four-sided sturdy zipper.

**Anti-condensate fibres** Heat-bonded fibres form a resilient and air permeable weave. Inserted between a cotton layer and a linen layer.

**Dry-clean** The cover can be dry cleaned.
