

**MIRAM**  
with 3D V.S. underlining  
OR  
with antistress underlining

This mattress is suitable for those who are **allergic to dust mites**, feel very hot in bed but do not feel particularly cold, have excessive sweating (3D V.S. underlining is particularly suitable), are **overweight** (exceed their ideal weight by 5/10%), **sleep on their side or in other positions** (particularly suitable), wish to use an **adjustable base**, suffer from neck and/or back pain, have peripheral blood circulation issues, are subject to electromagnetic pollution (only anti-stress underlining version), want a mattress with differing comfort levels on either side (bi-comfort), want a different comfort level than their partner, have a particular need to remove the mattress cover.

**Pillow Top Plus - REMovable®**  
(patent n. 102016000021487).  
Exceptional comfort and thermo-regulating properties. Perfect air permeability. Removable cover

**Bodyform® HD Soya & Aloe** is an innovative viscoelastic foam, both heat-sensitive and self-shaping.

With **3D V.S. fabric** underlining, ventilation improves thanks to the air gap.

With the **carbon anti-stress** underlining, electromagnetic waves and static are discharged.

The perimetral inserts and bellows of the **Pillow Top Plus - REMovable®** in 3D V.S. fabric facilitate ventilation inside the mattress.

The **bi-comfort** feature allows you to choose between two comfort levels. Even between partners on a double bed.

**STRUCTURE**

- Helix® adaptive foam springs**  
Helix® adaptive foam springs core with seven comfort zones. The addition of **Aquapure® Soya & Aloe** with pinholes provides the mattress with both medium-soft and medium comfort levels (bi-comfort) in the standard version or alternatively soft and medium-soft comfort levels (bi-comfort), upon request.
- Adapto system**  
High-density, anti-deformation and supporting material.
- Aquapure® Soya & Aloe**  
component, double convoluted surface with seven comfort zones.
- Bodyform® HD Soya & Aloe**  
component, convoluted surface with seven comfort zones and micro-pinholes.

**UNDERLINING**

- 3D V.S. underlining version**  
**3D V.S. fabric 3D Ventilation System** fabric underlining with non-compressible air gap.
- Anti-stress underlining version**  
**Anti-stress fabric** Anti-stress underlining made with carbon yarns, arranged in a lattice pattern on the fabric.

**COVER**

- SilverActive® with silver ion**  
High-tech padding combining the performance of **Trevira® Bioactive**, a bioactive hygienic fibre with a permanent antimicrobial effect, with the natural features of the organic fibre found in **farmacott® - anti-dust mite cotton** and the eco-friendly **Mais Fibra®** made from natural sources.
- 3D V.S. fabric 3D Ventilation System** internal layer, with non-compressible air gap.
- Cotton blend fabric Dri-release™** cover in double elastic fabric with patented co-polymeric yarn, mixed with cotton. **Freshguard™** anti-smell treatment.
- 3D V.S. permeable band** Double **3D Ventilation System** air permeable band on the mattress perimeter.
- Removable cover**  
Four-sided sturdy zipper.
- Dry-clean**  
The cover can be dry cleaned.
- Washable at 95° C**  
The cover can be washed in water at 95° C.
