

# PROMESSA

Ergonomic hypo-allergenic eco-friendly mattress with removable cover

Available in **minimalist** version, with no binding tape - as pages 40-41

This mattress is suitable for those who **are allergic to dust mites**, feel quite hot in bed but do not feel particularly cold, have moderate sweating, are overweight (exceed their ideal weight by 5/10%), **sleep on their side or in other positions** (particularly suitable), wish to use an adjustable base, suffer from neck and/or back pain, have peripheral blood circulation issues (particularly suitable), are not subject to electromagnetic pollution, want a mattress with differing comfort levels on either side (bi-comfort), want a different comfort level than their partner, have a particular need to remove the mattress cover.

**respiro® 100% natural latex** with vertical pinholes and an exclusive convoluted surface for continuous ventilation.

The **3D V.S. fabric** perimetral insert facilitates ventilation inside the mattress.

The **bi-comfort** feature allows you to choose between two comfort levels. Even between partners on a double bed.

## STRUCTURE

**Respiro® 100% natural latex Respiro® macro-perforated latex - 100% natural organic latex** core with seven differentiated density zones, perforated on both sides. Soft and medium-soft comfort levels (bi-comfort). Fungistatic and bacteriostatic properties.

## UNDERLINING

**Cotton blend** Underlining in elasticized mixed cotton jersey.

## COVER

**Anti-dust mite fibres allergofiber®** Hypo-allergenic padding, treated with a permanent active anti-dust mites agent.

**Cotton blend fabric Silverness®** silver yarn cover in double elastic fabric with permanent anti-dust mite, anti-microbial anti-stress and anti-static effect.

**3D V.S. permeable band 3D Ventilation System** air permeable band on the mattress perimeter.

**Removable cover** Four-sided sturdy zipper.

**Dry-clean** The cover can be dry cleaned.

**Washable at 60° C** The cover can be washed in water at 60° C.
