

SERENO

Ergonomic seasonal mattress with removable cover

This mattress is suitable for those who do not feel particularly hot or cold in bed, have mild sweating, have an ideal weight, **sleep on their side or in other positions**, wish to use an adjustable base, do not suffer from neck and/or back pain, have peripheral blood circulation issues, are not subject to electromagnetic pollution, want a mattress with differing comfort levels on either side (bi-comfort), want a different comfort level than their partner, have a particular need to remove the mattress cover.

The **anti-condensate fibres** allow a fast dispersion of the body's perspiration.

The **3D.V.S. fabric** perimetral insert facilitates ventilation inside the mattress.

The **bi-comfort** feature allows you to choose between two comfort levels. Even between partners on a double bed.
